

Next generation in daily small area scrubbing and drying

Nilfisk SC351 offers both forward and backward scrubbing and drying with an impressive brush pressure of 30 kg. Particularly suitable for cleaning in crowded places, between and behind tables, shelves, furniture and other less accessible areas.

The SC351 adds a new generation performance to a century of Nilfisk tradition for trusted and reliable cleaning equipment.

Optimise the battery-powered runtime of your SC351 with our new Lithium-Ion Battery.

- Rotating deck enables the unit to scrub and dry going either forwards or backwards
- 30 kg of down pressure for outstanding scrubbing effectiveness
- Powerful brush motor & better suction performance
- A re-designed deck ensures reliability and increased performance with low maintenance costs
- Optima batteries are available offering high productivity, constant performance, lower weight and more environmental friendliness due to the use of less lead
- Easy deck adjustment for perfect traction control
- New squeegee system with better airflow and patented blade retaining system
